Degree Options
Bachelor of Arts in Women’s, Gender, and Sexuality Studies

Minors
Queer Studies
Women’s Studies

Program Strengths
• Faculty work in a number of new research areas, including feminist theory, queer theory, global feminisms, critical ethnic studies, and disability studies.
• The program maintains close relations with the Women*s Center and the Gender Identity/Expression and Sexual Orientation Resource Center.
• WGSS students tend to be people who want to make a difference in the world. Their personal goals and intellectual development are of major importance to our faculty.
• The program emphasizes collaborative learning and critical thinking in a global and activist context, one that gives students ownership over their education.
• Each student is assigned a faculty mentor who is a resource for majors who are pursuing graduate degrees, undergraduate research, academic publications, and career exploration within the field.

Career Options
• Change your world through social justice advocacy and leadership.
• Work for nonprofit and/or nongovernmental agencies advocating for environmental justice, transgender rights, access to health care.
• Work in community service organizations, such as shelters and youth centers.
• Work in human resources, public policy analysis, community development.
• Continue studies in law school, social work, justice studies, gender studies, and much more.
